Dear Friends,

While we are continuing to hold our Sunday (10am) and Wednesday evening (7:30pm) meetings in our Church edifice, we are also providing the option to attend our services via teleconferencing. If you are interested in this option, please follow these instructions:

- 1) Dial 1-425-436-6341.
- 2) When prompted for an Access Code, enter 746756#. The church is the host, so disregard the next prompt, and you will be automatically connected.
- 3) **IMPORTANT:** When listening, **please press *6 to mute yourself** so we do not hear the background noise from your location.
- 4) You may enter and exit the call at any time without disrupting the service. When the service is over, simply hang up.
- 5) If you wish to make a contribution to the church during this time, our mailing address is:

Thank you all for your continued prayerful support for our community, the country and the world in this challenging time.
